

This exploded view diagram illustrates the assembly of a refrigerator. The main components shown include:

- Top Panel:** Labeled 2-1, 2-3, and 4-9.
- Door:** Labeled 2-2, 4-10, 4-7, 4-13, and 4-12.
- Interior Components:** MG (Main Gas Valve), FM (Fan Motor), T (Thermistor), C (Compressor), and F2 (Fan).
- Control Panel:** Labeled 4-1, 4-11, 4-12, and 4-13.
- Switches:** SW1, SW2, and SW3.
- Other Components:** OL (Oil), F1, F2, TF, TTM, and T.

The diagram uses various callouts (e.g., 7-1, 7-2, 7-3, 7-4, 7-5, 7-6, 7-7, 7-8, 7-9, 7-10) to indicate the specific screws and fasteners required for each assembly step.
