DETERGENT DRAWER GROUP

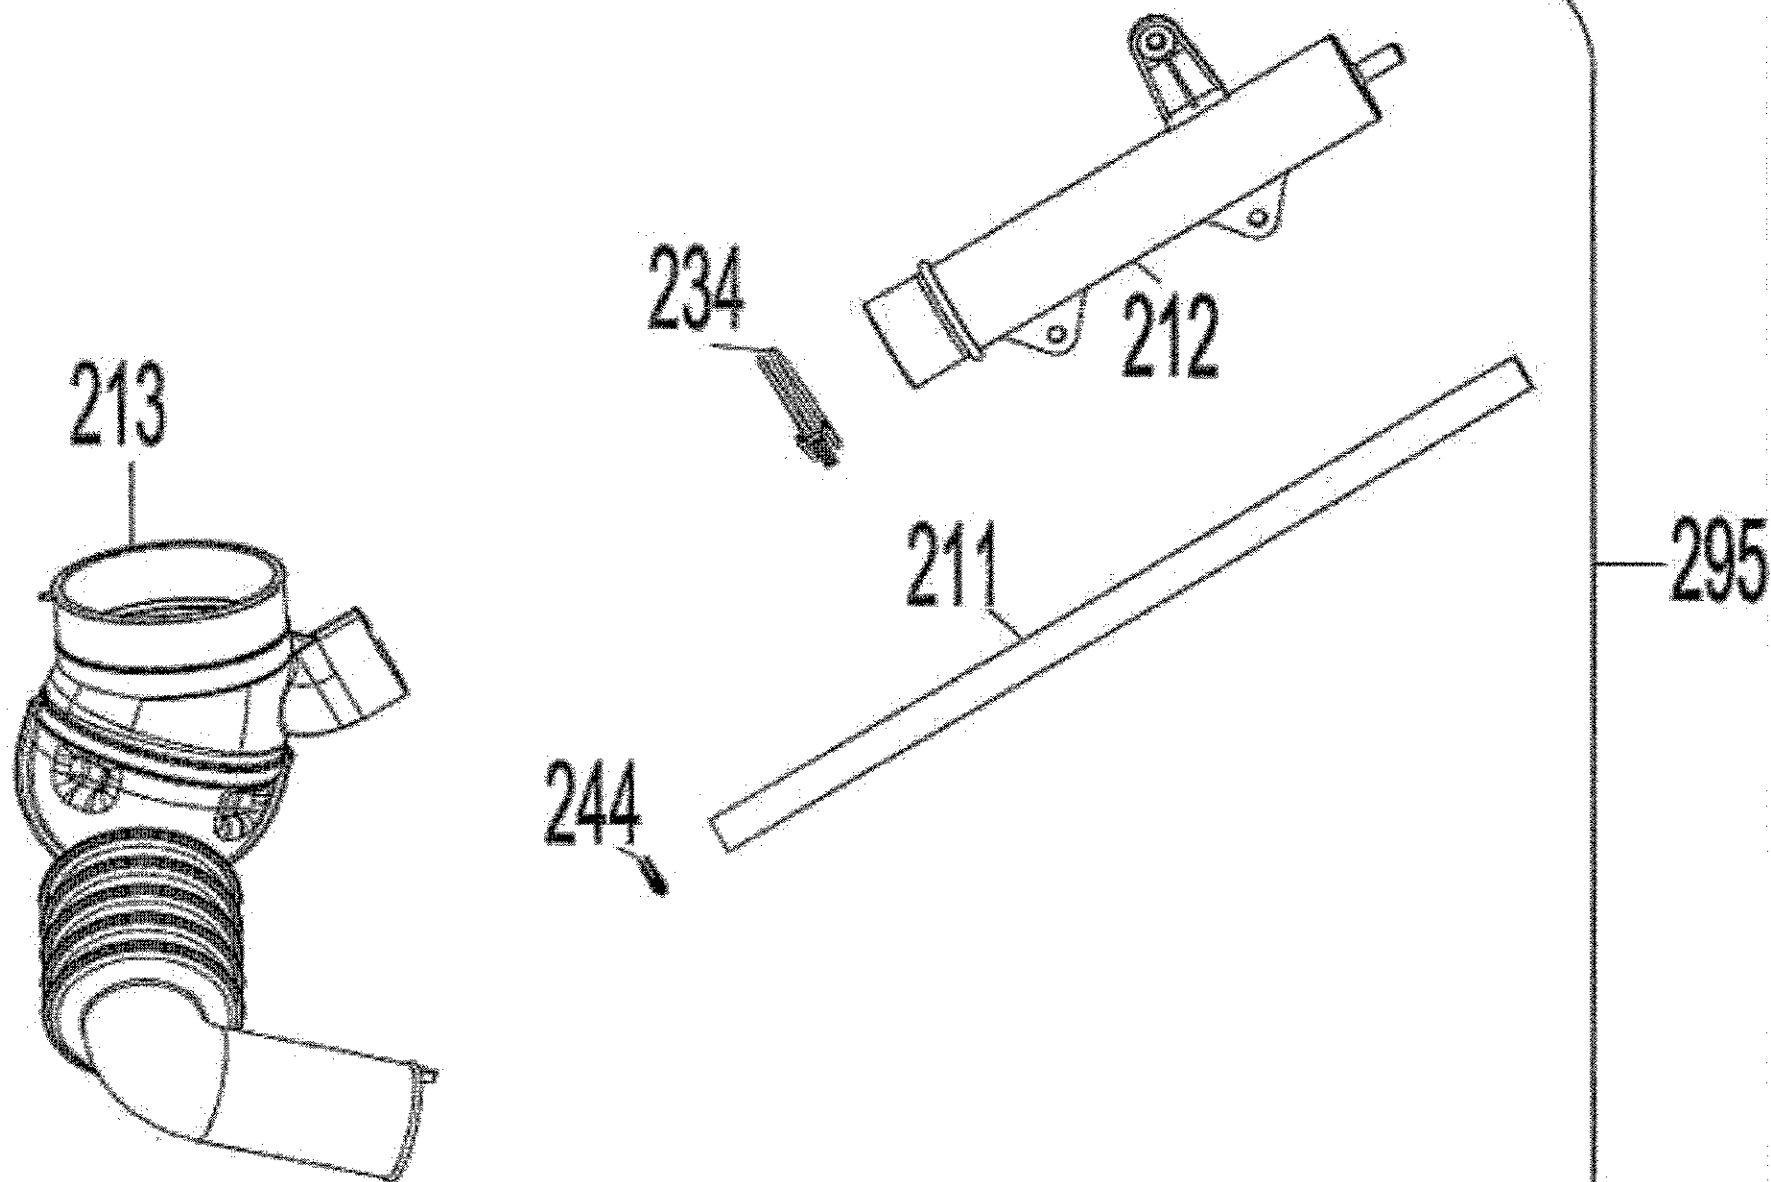

This diagram shows an exploded view of a mechanical assembly. The main components include a long, curved tube (931) with a flange (921) at one end. A ring (118) is positioned in the center. Various fasteners, including bolts (927, 930), nuts (924, 925), and washers (922, 923), are shown in their relative positions. A small rectangular block (928) and a larger component (926) are also visible. The assembly is shown in a perspective view, with a dashed line indicating the path of a bolt (924) through the ring (118) and the tube (931).
